**It Cost the Average Family
Less Than 10c Per Week
for Packer's Profit in 1917.**

The Meat Bill is one of the
large items in the family
budget
but

less than 10 cents per week of it
goes to the packer in profits.

In converting live stock into
meat and getting it into the hands of
the retail dealer, the packer performs
a complex and essential service with
the maximum of efficiency.

The above statement is based on
Swift & Company's 1917 figures
and Federal Census data:

Swift & Company's total output
(Meat and by-products) - 5,570,000,000 Pounds
Swift & Company's total Profit
- \$34,650,000.00
Profit per pound - \$0.0062

U. S. Meat Consumption
- 170 pounds per person per year
170 pounds at \$0.062 = \$1.05 per person per year
The average family 4 1/2 persons
= \$4.72 per family per year

MARCH TO VICTORY

Courage is a matter of the blood.
Without good red blood a man has a
weak heart and poor nerves.

In the spring is the best time to
take stock of one's condition. If the
blood is thin and watery, face pale or
pimply, generally weak, tired and list-
less, one should take a spring tonic.
One that will do the spring house-
cleaning, an old-fashioned herbal reme-
dy that was used by everybody nearly
50 years ago is still safe and sane be-
cause it contains no alcohol or narcot-
ic. It is made up of Blood root, Gold-
en Seal root, Oregon Grape root,
Queen's root, Stone root, Black Cherry
bark—extracted with glycerine and
made into liquid or tablets. This blood
tonic was first put out by Dr. Pierce
in ready-to-use form and since then
has been sold by million bottles as Dr.
Pierce's Golden Medical Discovery. If
druggists do not keep this in tablet
form, send 60 cents for a vial to Dr.
Pierce's Invalids' Hotel, Buffalo, N. Y.

Kidney disease carries away a large
percentage of our people. What is to
be done? The answer is easy. What is
to be done? Eat coarse, plain food, with
plenty of vegetables, drink plenty of water
between meals, and take an uric acid
solvent after meals for a while, such as
Anuric (double strength), obtainable at
almost any drug store. It was first
discovered by Dr. Pierce. Most every
one troubled with uric acid finds that
Anuric dissolves the uric acid as hot
water does sugar. You can obtain a
trial package by sending ten cents to
Dr. Pierce's Invalids' Hotel and
Surgical Institute in Buffalo, N. Y.

DANGEROUS CALOMEL IS SELDOM SOLD NOW

**Calomel Salivates! It Makes You Sick and You Lose a Day's Work—Dodson's
Liver Tone Acts Better Than Calomel and Is Harmless for
Men, Women, Children—Read Guarantee!**

Every druggist here, yes! your druggist and
everybody's druggist has noticed a great falling-
off in the sale of calomel. They all give the
same reason. Dodson's Liver Tone is taking its
place.

"Calomel is dangerous and people know it, while
Dodson's Liver Tone is safe and gives better re-
sults," said a prominent local druggist. Dodson's
Liver Tone is personally guaranteed by every
druggist. A large family-sized bottle costs but a
few cents and if you find it doesn't take the place
of dangerous, salivating calomel you have only to
ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, pure-
ly vegetable remedy, harmless to both children
and adults. Take a spoonful at night and wake up
feeling fine, no sick headache, biliousness, ague,

sour stomach or clogged bowels. Dodson's Liver
Tone doesn't gripe or cause inconvenience all next
day like calomel.

Take a dose of calomel tonight and tomorrow
you will feel sick, weak and nauseated. Don't
lose a day's work!

Dodson's Liver Tone is real liver medicine.
You'll know it next morning because you will
wake up with your head clear, your liver active,
bowels clean, breath sweet and stomach regulated.
You will feel cheerful and full of vigor and ready
for a hard day's work.

You can eat anything afterwards without risk
of salivating yourself or your children.

Get a bottle of Dodson's Liver Tone and try it
on my guarantee. You'll never again put a dose of
nasty, dangerous calomel into your stomach.—Adv.

ALMOST BLIND FROM DIZZINESS

**This Virginia Lady Tells of Con-
stant Suffering From Dreadful
Backaches, Permanently
Relieved by Cardui.**

Norton, Va.—Mrs. E. S. Clouse, of
this place, writes: "In about 1901 I
seemed to get in bad health, I had been
married about a year. . . I called in
Dr. . . of . . . who treated me . . .
and gave me medicine, which didn't
do me any good. I suffered agony
for about 4 months and felt I must
have some relief, for I was so bad
off that I was really unable to be up
out of bed during all that time.

I could hardly walk, every step was
painful and a drag. I would be al-
most blind from dizziness. I'd have
dreadful backaches that never ceased,
and severe pains. . . I read of Cardui
in the Birthday Almanac and friends
urged me to take it. . . I used one bot-
tle with such beneficial results that I
gained hope of recovery. After the
use of 2 or 3 bottles, I felt so much
better that I was able to get up and
go about my work. My improvement
was steady and after about the 3rd
or 4th bottle, I was entirely cured
and the cure has been permanent. . .
For the past seven years I have had
perfect health and my work has been
a pleasure."

your troubles. It is safe reliable and
of proven merit. All druggists.—Adv.

FRECKLES

Now Is the Time to Get Rid of These Ugly Spots

There's no longer the slightest need of
feeling ashamed of your freckles, as the pre-
scription ointment—double strength—is guar-
anteed to remove these homely spots.

Simply get an ounce of ointment—double
strength—from your druggist, and apply a
little of it night and morning and you should
soon see that even the worst freckles have
begun to disappear, while the lighter ones
have vanished entirely. It is seldom that
more than one ounce is needed to completely
clear the skin and gain a beautiful clear
complexion.

Be sure to ask for the double strength oin-
tment, as this is sold under guarantee of money
back if it fails to remove freckles.—Adv.

All She Could Be Sure Of.

Mr. Brown, widower, had advertised
for a housekeeper. On the applicant's
arrival, Mr. Brown was out and his
three-year-old daughter answered the
door.

"What's your papa's name?" the
woman asked.

After a pause the little girl an-
swered, "I don't know what it was
before he was married, but it's Mr.
Brown now."

Putting Her Foot in It.

Not long ago a miscellaneous party
of visitors was being shown over a
ducal palace. One of them, a stout,
overdressed woman, feeling herself so-
cially considerably above her fellow
sightseers, turned to the housekeeper
and said:

"And how is the duke? He wasn't
very well when I saw him last."

"His grace has a slight cold," re-
plied the housekeeper, "but otherwise
is in the best of health."

After allowing the company suf-
ficient time to recover, the lady re-
sumed:

"And how is the dear duchess?"
"The duchess, madam, has been dead
these thirty years."

Prison Camp Just Like Home.

It comes as a distinct surprise to
learn that Lieut. Pat O'Brien of the
Royal Flying Corps is a bachelor, for
when he says that the conversation of
the captives in the German war prison
from which he made his escape centered
around "food and escaping" he
talks just like a married man.

Booth Tarkington, the novelist, met
in a New York book store a young lady
who was buying books to send to the
soldiers.

"I think I ought to send them seri-
ous, heavy books—history and so on—
don't you?" she doubtfully inquired.

"Good gracious, no!" said Mr. Tar-
kington. "Send them novels, rousing
novels, and nothing else. History? What
do they want with history? Why,
they're making it!"
